

MARTOCCIA DI LUCA BRUNELLI

Brunello di Montalcino Riserva DOCG 2012

92

Points

I am impressed by this wine from Martoccia, a producer I was not previous familiar with. The 2012 Brunello di Montalcino Riserva opens to black fruit aromas with plum, blackberry and dried cherry. Perhaps the tannins are a bit dry (you feel that on the plate), otherwise this pretty wine has the natural acidity and freshness to pair with grilled sirloin or lamb. Only 5,000 bottles were made.
