## **FABRE EN PROVENCE**

Côtes de Provence Rosé 2021

Limpid orange-pink. Displays tightly focused red berry and citrus fruit quantities on the fragrant nose, along with a floral nuance that builds as the wine opens up. Juicy and tightly focused, offering strawberry, bitter cherry and blood orange flavors and a sweetening touch of honey. Finishes smooth and long and with some weight, with the floral note repeating.

## Joshua Reynolds, Vinous

**Winemaker** Henri Fabre et famille

## Location

Provence, France
