

MARTOCCIA DI LUCA BRUNELLI

Brunello di Montalcino DOCG 2011

89

Points

Brunelli's 2011 Brunello di Montalcino shows a very satisfactory performance on the nose. Like many of its peers from this warm vintage, this Brunello exhibits abundant fruit and spice with black cherry and pressed blackberry in the front row. Give it time and savory notes of Indian spice and cured tobacco also add to the overall intensity. In the mouth, however, the wine is slightly less impactful. The consistency is fresh and the finish is moderate in length.
