

# MARTOCCIA DI LUCA BRUNELLI

Brunello di Montalcino DOCG 2016

93

Points

Luca Brunelli trains his wines low to the ground with just four clusters per plant, keeping yields extremely low (about one bottle per vine). Those low yield resulted in a deeply colored 2016 with flavors of red berry and sour cherry that are bold and concentrated. The wine begins to unfurl with time in the glass, gaining notes of bergamot and warm spice as well as scents of lavender and pink petals. Firm tannins give shape to the plummy fruit tones, and the wine finishes brisk and lively.
