

BOCELLI FAMILY WINES

Sangiovese Toscana IGT 2011

Produced by the family of the well-known performer Andrea Bocelli; though he is a tenor, this wine devolves to bass-notes; starts with a medium ruby color; fresh, bright, spicy and appealing; then robust, dense and chewy, lots of weight for the plum, black and red currant fruit; fairly tannic and earthy; demands hearty fare, like sausages grilled to a turn or barbecue ribs.
