

MARTOCCIA DI LUCA BRUNELLI

Martoccia Luca Rosso Toscana IGT 2014

88
Points

The Martoccia 2014 Luca is a pure expression of the same Sangiovese Grosso variety that goes into Brunello, but it's resented here with an IGT Toscana appellation instead. This is a steady, mid-weight wine that holds back in terms of aromatic intensity, yet it offers a silky and streamlined finish that is enjoyable and food friendly. This cool and wet vintage positions itself well for early-term, easy drinking. Indeed, the bright berry freshness, with cherry, raspberry and cassis, and that fresh acidity make his a good option for lasagna or ravioli, heavy on the cheese. A humble 6,000 bottles were produced.
